# 2005 NEC Code Change Conferences are coming!

## Register NOW to attend these learning events.

In two informative and interest-filled days, you'll learn about major NEC changes that will impact your work, whether you're an electrician, electrical engineer, designer, or plant/facility maintenance person.

## Learn from the best instructors

NEC experts Mike Holt and Fred Hartwell (Boston Conference only) are recognized as two of the electrical construction industry's most knowledgeable trainers. Both have extensive experience as authors, speakers, and trainers on design and installation topics relative to the NEC.

## Earn Continuing Education Hours

Our program is certified as an approved provider of NEC training by those states requiring continuing education hours for relicensing of journeyman and master electricians. By attending a conference, you will receive continuing education hour credits, pending approval and adoption. States: GA (4); MA

(15 NEC + 3 MA Law); ME (15); MN (16); MT (16); NC (16); NE (16); OH (15); RI (15); SD (16); UT (16); VT (15); WA (16); WI (15); WY (16); DE (10); FL (13); ID (16); and OR (16).

## Learn with a money-back guarantee.

The registration fee for our Code Change Conference Program is \$445 if you register before the early bird deadline (a saving of \$50). Anytime thereafter, the registration fee is \$495. Included is Continental breakfast and box lunch each day, a copy of the new 2005 NEC, and a copy of the EC&M's 2005 Code Change Book, written by Mike Holt. And, if you're not completely satisfied with the return of your investment in our Conference Program, just return course material and we'll refund your registration fee in full, no questions asked!

**Cancellation Policy:** If you need to cancel, we will refund your registration fee, less a \$50 service charge, if the cancellation is made in writing three business days before the conference date. We regret we cannot issue any refund or credit on registrations cancelled after that date. Substitutions are always welcome in lieu of cancellations.
