

Mike Holt's Ultimate Training Library - 2011NEC®

Includes these great products:

Basic Electrical Theory

- **Basic Electrical Theory** textbook..... \$50
- *Electrical Fundamentals & Basic Electricity* DVD..... \$109
- *Electrical Circuits, Systems & Protection* DVD \$109
- *Alternating Current, Motors, Generators, & Transformers* DVD..... \$109

Bonus Theory

- **Power Quality** Textbook \$29.50
- **Understanding Basic Motor Controls** textbook..... \$40
- *Basic Motor Controls* two DVDs..... \$198

Understanding the National Electrical Code

- **Understanding the NEC—Volume 1** textbook \$59
- **Understanding the NEC—Volume 2** textbook/workbook \$49
- **Understanding the NEC—Volume 1** workbook \$30
- **Grounding vs. Bonding** textbook \$42
- **Limited Energy and Communications Systems** textbook..... \$49
- *General Requirements, Circuits & Protection* two DVDs..... \$198
- *Grounding versus Bonding* two DVDs..... \$198
- *Grounding versus Bonding* MP3 audio CD..... \$30
- *Wiring Methods* DVDs..... \$198
- *Equipment for General Use* DVD..... \$109
- *Special Occupancies* DVD \$109
- *Special Equipment* DVD..... \$109
- *Limited Energy & Communications Systems* DVD..... \$109
- **Essential Rules of the NEC** textbook..... \$40

Changes to the NEC®

- **Changes to the NEC** textbook..... \$49
- *Changes to the NEC* two DVDs..... \$198
- *Changes to the NEC* MP3 audio CD \$30

Solar

- **NEC Requirements for Solar PV Systems** Textbook \$48
- *NEC Requirements for Solar PV Systems* two DVDs \$198
- *Solar Photovoltaic Systems* MP3 Download..... \$30

Exam Preparation/Calculations

- **Exam Preparation** textbook/workbook \$59
- **Journeyman Simulated Exam** \$20
- **Master/Contractor Simulated Exam** \$25
- *Raceway & Box Calculations* DVD..... \$99
- *Conductor Sizing & Protection Calculations* DVD \$109
- *Motor Calculations* DVD \$79
- *Voltage Drop Calculations* DVD..... \$79
- *Dwelling Unit Calculations* DVD..... \$99
- *Multifamily Dwelling Calculations* DVD..... \$99
- *Commercial Calculations* DVD..... \$109
- *Transformer Calculations* DVD \$109
- **Electrical Formulas with Sample Calculations Handbook** \$29

Estimating

- **Electrical Estimating** textbook \$62
- *Electrical Estimating* four DVDs \$299

Price: \$1595 [A \$3,799 value] - You Save Over \$2,200!

“The graphics, the DVDs and the textbooks are all formatted in a way that makes sense of everything covered. I especially appreciate your panel guests with their knowledge and insight. I love the way the DVD is not just a plug-and-chug display of material, but an open discussion of sorts, allowing the panel guests to add examples and side notes to the learning material “

Richard J. Reese
