CONTINUING EDUCATION

2-Day Seminar

with Mike Holt

- ▶ ***Business Management, Workplace Safety and Workers Compensation***
- ▶ ***Grounding versus Bonding***

June 18 and 19 • Orlando
July 23 and 24 • Ft. Lauderdale

Business Management, Workplace Safety, Workers' Comp, and Grounding versus Bonding

Sign up today for this important 2-Day Continuing Education Seminar. Mike will cover in detail, Business Management, Workplace Safety, and Workers' Compensation. Also, those attending this high-energy program will learn the basics as well as the advance concepts necessary to understand the practical grounding and bonding rules in the NEC for systems not over 600V.

- **June 18 and 19, 2004 • Rosen Centre Hotel, 9840 International Drive, Orlando, FL.**
- **July 23 and 24, 2004 • LaQuinta Inn of Coral Springs, 3701 University Drive, Coral Springs, FL.**

June 18, 2004 – Orlando
July 23, 2004 – Ft. Lauderdale

**Business Management,
Workplace Safety, and
Workers' Compensation**

June 19, 2004 – Orlando
July 24, 2004 – Ft. Lauderdale

**Grounding
versus
Bonding**

Day 1

This important session covers the following business subjects:

Business Management 5 Hours

- Purpose of an electrical contractor
- Why many contractors are unsuccessful
- How management controls the job cost
- How to become competitive
- How to estimate accurately
- How to apply overhead
- Understanding break-even cost
- How to price the job

Workplace Safety 1 Hour

Workers Compensation 1 Hour

- Electrical hazards
- Attending to electrical accident victims
- Electrical accidents and hazard prevention

Day 2

Grounding and Bonding of electrical systems, sensitive electronic, and communications equipment is the most important and least understood activity in the electrical, data process and communications industry. Mike, will explain the following topics in an informal and relaxed style using PowerPoint 4-color graphics and examples that apply to today's electrical installations.

Grounding versus Bonding 7 Hours

- Purpose of Grounding and Electrical Fundamentals
- Lightning Protection and TVSS Protection
- Earth Grounding versus Equipment Grounding
- Effective Fault Current Path
- Stray Voltage and Current
- Services Equipment -Section 250.24
- Transformers -Section 250.30
- Generators -Section 250.30,
- Separate Buildings and Structures -Section 250.32

Valued at \$3,400. Now you can have it all for \$1,795.

The 1st 500 orders will receive the Electrical Estimating Supreme Package—a \$345.00 value, for FREE. Order Today!

THEORY

- Basic Electrical Theory Text/Workbook
- Electrical Fundamentals and Basic Electricity 4.5-hr Video
- Electrical Circuits, Systems, and Protection 4.5-hr Video
- Alternating Current, Motors, Generators and Transformers 4.5-hr Video
- Harmonics Textbook and 6-hr Video
- Fire Alarms Textbook and 6-hr Video
- Motor Control Textbook and two 6-hr Videos

2002 CODE CHANGES

- Illustrated Changes to the NEC Textbook
- Workbook to Accompany Changes to the NEC
- Code Changes, two 4-hr Videos
- Code Changes, two 4-hr DVDs
- Illustrated Code Changes Interactive CD-Rom
- Online Code Change Course
- 2002 Code Book Tabs

2002 GROUNDING & BONDING

- Grounding and Bonding Illustrated Textbook
- Two 4-hr Videos & Two 4-hr DVDs
- Interactive CD-Rom

2002 NEC

- Understanding the NEC Textbook, Vol. 1
- Understanding the NEC Textbook, Vol. 2
- NEC Practice Questions Book
- General Requirements, two 6-hr Videos
- Wiring Methods/Materials 4-hr Video
- Equipment for General Use 3-hr Video
- Special Occupancies 4.5-hr Video
- Special Equipment 4.5-hr Video
- Limited Energy and Communications 4.5-hr Video

CALCULATIONS

- Electrical Calculations Text/Workbook
- Raceway and Box Sizing 3-hr Video
- Conductor Sizing & Protection 4-hr Video
- Motor Calculations 2-hr Video
- Voltage Drop 2-hr Video
- Single-Family Residential 3-hr Video
- Multifamily Residential 3-hr Video
- Commercial Load 4-hr Video
- Delta and Wye Transformers 4-hr Video

The libraries listed may include "full-version" textbooks. These contain the same material as the individual titles in one easy to follow textbook. The offer is for a limited time only and may be cancelled without notice.
