

State Class Items to Bring Checklist

Please make sure you purchase all items on this checklist immediately.

Purchase the following items to bring to the class and help with your homestudy:

- ☐ **Purchase Reference books** <http://palm-school.com/product-category/exam-books/>
 - For the code book portion, the NEC Paperback Codebook is approved not the handbook **NOTE: Amazon NEC code books may be counterfeit**
- ☐ **Purchase Tabs from [Palm Construction Bookstore](#):**
 1. **NEC Tabs**
 2. **Pre-printed Reference book tabs**
 3. **200 [blank tabs](#) to be placed in your reference books during class.**
- ☐ Bring 10 pencils (make sure to sharpen them before class)
- ☐ Red or black sharpie ultra fine marker (for writing on blank tabs)
- ☐ Blue, Yellow, Green, and other color highlighter (must be gel!)
- ☐ Ruler
- ☐ Magnifying Glass
- ☐ 2 solar/battery power calculators
- ☐ Book Rack for class and exam day - These book racks should have slots and a back so that your books won't fall during your test.
- ☐ Pack & Roll (milk crate on a luggage cart) for your reference books and other test items. [Pack & Roll Crate](#)

You will also want to bring the following items to class:

- ☐ Unlimited and Alarm Contractors bring a printed copy of the two UL books #365 and #681, [click here](#)
- ☐ Jacket – We keep our classroom temperature cold, please bring your jacket.
- ☐ Pack your aspirin, medicine, granola bars, snacks, drinks, etc.

As we get closer to the seminar we will send you additional information, and if you have any other questions, please give us a call **888.632.2633**.

Good luck with your studies!
