► Changes to the NEC 2005

June 17 and 18 • Orlando

July 15 and 16 • Ft. Lauderdale

Business Management, Workplace Safety, Workers' Comp, and Changes to the NEC 2005

Sign up today for this important 2-Day Continuing Education Seminar. Mike will cover in detail, Business Management, Workplace Safety, and Workers' Compensation. Also, those attending this high-energy program will participate in an in-depth examination of the most important changes for the 2005 NEC. Nearly 5,000 changes in the Code were proposed for the NEC, and over 250 of them are critical for your success. You can't afford to be "in the dark" because many of these changes will significantly alter the cost of business! Join Mike and explore the 2005 NEC Code and its effect on you and the electrical industry.
