- Industry Leaders
- Anyone in the electrical and engineering industry looking to develop their business management skills.

Earn CEUs and PDHs

We're approved for continuing education in many states. If you need this seminar for continuing education or professional development credit, contact Ilene Aguado at 888-NEC-CODE (632-2633) to find out if your state has been approved. **This seminar is approved for 14 Hrs for the State of Florida.**

If you are unable to attend the seminar

Order our 2005 Detailed Code Change Library.

The library includes Mike's Illustrated Changes to the NEC 2005 textbook, two DVDs, two VHS, MP3 Audio

CD and the 2005 Code Change Tabs. www.MikeHolt.com
Purchased separately this library would cost \$727 - You Save \$478 for a special discounted price of \$249.00.

About Your Presenter—Mike Holt

Mike is nationally recognized as one of America's most knowledgeable electrical trainers. His instruction has helped tens of thousands of electrical professionals ensure the proper design and installation of electrical systems in accordance with the NEC. His dynamic and animated teaching style is relaxed, direct and enjoyable. Mike's best quality is his ability to communicate technical topics in an easy-to-understand manner.

Seminar Fee – Save \$65.

Register for both days Only \$325.

Or register for a single-day seminar for \$195.

An early 30-Day registration discount includes a copy of our Business Management Skills book, one CEU certificate, a copy of *Mike Holt's Illustrated Guide to Changes to the NEC 2005*. The fee is subject to change and is payable in advance.

How well do you know the 2005 Code Changes?
