CAYMAN ISLANDS GOVERNMENT

Presents:

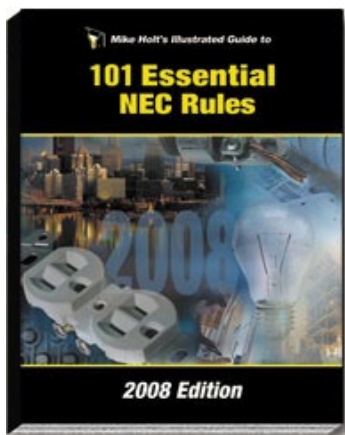

Mike Holt Two-Day 101 Essential NEC Rules Workshop

Marriott Beach Resort

25 & 26 May, 2010

8:00 am to 5:00 pm

REGISTRATION DEADLINE: 17 May, 2010

At this workshop, learn the technical and practical aspects of applying the 2008 National Electrical Code (NEC). Areas that will be covered include:

- ☒ General requirements for electrical installations;
- ☒ Wiring methods and materials;
- ☒ Wiring and protection; and
- ☒ Equipment for general use.

You will be able to immediately use this knowledge on the job, for increased proficiency and safety.

Plus get Mike Holt's illustrated Guide to 101 Essential NEC Rules and Changes to the NEC 2008 **FREE**.

About Mike Holt

(Visit: www.mikeholt.com)

Mike Holt has worked his way up the trade from apprentice electrician to electrical designer and developer of training programs for the electrical industry. He has taught over 1,000 classes on over 40 different electrical related subjects to over 20,000 students. He teaches seminars throughout the United States and abroad for individuals, organizations and Fortune 500 companies, such as IBM, Boeing, Motorola and AT&T. He was formerly a contributing editor to Electrical Construction and Maintenance Magazine (EC&M) and Construction Editor to Electrical Design and Installation Magazine (edi).

He is regarded as one of the leading experts on electrical training. He has been an active member of the International Association of Electrical Inspectors, National Board of Electrical Examiners, National Fire Protection Association, National Association of Licensing Boards, Florida Association of Electrical Contractors, and the Electrical Council of Florida.

Mike Holt has been certified as an Electrical Inspector, Journeyman Electrician, Master Electrician, Certified Electrical Contractor and Instructor.
