- Grounding Myths

VISIT WITH MIKE AND TAKE YOUR PHOTO!

Few articles can match Article 250 for misapplication, violation and misinterpretation. This program is unique in it's ability to explain grounding, bonding, and the difference between them in such a clear and precise way. It will clear up confusing or seemingly conflicting NEC rules, and give tips on proper installations, and cautions and warnings of dangers related to improper electrical installations.

Seating is limited - Register Now!
