**Purchased separately, the items in this library would cost \$2554.00! You save \$1404!*

“Thank you Mike Holt and team for an excellent product! I worked 5 1/2 years in the field and had no previous schooling as an electrician. I bought Mike's Master/Contractor package, completed it and then passed my state licensing exam first try! Mike Holt, you designed your course wonderfully! Without doubt the best in the industry. Thank You!! “
