

2014 Electrical Engineer—DVD Library

As the Electrical Engineering industry advances, your need to understand the *National Electrical Code* is becoming greater. Code-compliant, energy efficient building, providing the power quality demanded by today's omnipresent electronics are becoming more difficult to design, but are expected by your clients.

Whether you need to understand the *NEC* to pass your Electrical Engineering exam, or design a system that provides the client what is demanded and compliant with the Code, completely understanding the *NEC* is essential and no-one teaches this better than *NEC* Expert, Mike Holt.

Includes these great products:

Electrical Exam Preparation textbook

- Raceway Calculations DVD
- Conductor Sizing Calculations DVD
- Voltage-Drop Calculations DVD
- Motors Calculations DVD
- Dwelling Unit Calculations DVD
- Multi-Family Dwelling Calculations DVD
- Commercial Calculations DVD
- Transformer Calculations DVD

Understanding the *National Electrical Code* Volume 1 textbook

- General Requirements Art. 90 - 110 DVD
- Wiring and Protection Art 200-285 DVD
- Grounding vs. Bonding Art. 250 two DVDs
- Wiring Methods and Materials Art. 300 - 392 two DVDs
- Equipment for General Use Art. 400 - 480 DVD

Understanding the *National Electrical Code* Volume 2 textbook

- Special Occupancies Art. 500 - 590 DVD
- Special Equipment Art. 600 - 702 DVD
- Limited Energy and Communications Systems Art. 725 - 820 DVD

Bonus Products: *How to Use the NEC DVD*

Product Code: 14ENGR

Price: \$850.00 **A \$2,097 value—You Save \$1,247**

"Mike , thanks so much for your resources. I ordered exam prep books and have gone to your site for much needed info. You assisted me in passing all ICC exams and NEC exams for all my certifications; and your literature has helped me with ICC master exam and assisted me in getting my state of Alabama Master Electrical Card and State Electrical License. I appreciate the helpful site and the materials you have available to assist in educating tradesmen in the electrical field. If anyone aspires to be a journeyman , master electrician ,electrical code official and even an electrical contractor, Mike Holt Enterprises is the way to go. Thank you much for all you have provided."

G. Ronnie Allen, Electrical Inspector
