***PRICE: \$745.00**

**Purchased separately, the items in this library would cost \$1220.00! You save \$495!*

"Thank you Mike for the Master Intermediate DVD courses. I really like how you teach and it is very clear how you bring out these things to better understand codes and calculations. One thing that was helpful was the way you talk to your panel of guys and bring out experiences. This really helps to understand what you are talking about."
