

CHANGES TO THE NATIONAL ELECTRICAL CODE®

Video Library

GET UP TO SPEED

Mike Holt's Changes to the National Electrical Code Video Program based on the 2023 NEC®, teaches you everything that you need to know to quickly and easily master the newest content in the latest edition of the Code. Hundreds of illustrations and graphics, plus clear easy-to-understand explanations, make this the fastest way to learn the new Code.

The videos showcase dynamic panel discussions with Mike and a team of electrical professionals, as they analyze the most essential code changes, and how those changes will impact installations. The wide range of skills of the panel and their unique perspectives provide a comprehensive overview of the change and how to apply it in the real-world.

What's new for 2023? For the first-time ever, Mike Holt has partnered with the National Fire Protection Association® (NFPA®) to bring you an even deeper understanding of the changes.

Who should have this product? Every electrical professional needs to know the most up-to-date code information and this package is the easiest way to learn it. This is a great tool for individuals, and classrooms. Order your video program today.
